

## **STAAS & HALSEY LLP WELCOMES AND THANKS SEONG-JUN “SJ” PARK**

The firm is pleased to have Seong-Jun “SJ” Park as an extern during his final semester of law school. SJ currently attends the University of New Hampshire School of Law (formerly Franklin Pierce Law Center), where he is concentrating on intellectual property (IP) law and receiving school credit for his IP work here at Staas & Halsey LLP. He has a degree in Mechanical Engineering from the U.K.’s University of Nottingham, where he graduated with honors. We would like to thank him for his research and development of this quarter’s firm newsletter.
